Journal of Traditional Medicines Vol. 19, No. 4, 2002

CONTENTS

Review

Terpenoid constituents of Alismatis Rhizoma
-Structure, biological activity, and chemical change of terpenoids during processing-
Masayuki YOSHikawa, Hišashi MATSUDA .................................. 119

Originals

Characterization of anti-herpes simplex virus type 1 activity of an alkaloid FK 3000 from Stephania cepharantha
Motoki OHSAKI, Masahiko KUROKAWA, As'ari NAWAWI,
Norio NAKAMURA, Masao HATTORI and KimiyaSU SHIRAKI .................. 129

Sairei-to enhances the antinephrotic effect of cyclosporine A in puromycin aminonucleoside-treated rats
Naoki FUJITSUKA, Kinji TADA, Kazuhiro GOTO,
Atsushi ISHIGE, Hiroshi SASAKI .............................................. 137

Combined Kampo therapy of Boi-ogi-to and Keishi-ka-ryojutsu-to for gonarthrosis
Koichi SHIMODE, Kazuya YAMASHITA, Naoki MANTANI,
Shotai KOBAYASHI ................................................................. 148

Anti-hypertensive effect of Choto-san (Diao-Teng-San) in SHR:
Role of Chotoko (Uncaria sp.) and gyspsum
Zhao Qi, Hiroshi WATANABE, Yukihisa MURAKAMI,
Michihisa TOHDA, Kinzo MATSUMOTO ..................................... 153

Case report

Effect of a hot water extract of Agaricus blazei fruiting bodies (CJ-01)
on the intracellular cytokines level in a patient with bronchitis
Koji MIYAMOTO, Yasuo WATANABE, Norio IZUKA,
Eiki SAKAGUCHI and Kiwamu OKITA ..................................... 142
