The National Institute for Defense Studies (NIDS) is the Ministry of Defense's core research and educational institution, conducting policy, theoretical and regional studies in the area of defense and security, while also providing officers of the Self-Defense Forces with strategic, collegelevel education. In addition, NIDS is in charge of administration of pre-war military documents, records and publications, and is considered to be the nation's foremost military history research center. *NIDS Journal of Defense and Security*, one of the institute's publications, is intended to promote research activity on, and public understanding of, security issues. Articles can be downloaded from <<http://www.nids.go.jp/>>. Views expressed in the articles are solely those of authors, and do not necessarily represent the views of NIDS, the Ministry of Defense or the Japanese Government. All rights reserved; no part of this publication may be reproduced, stored or transmitted in any form or by any means without the written permission of the Board.
